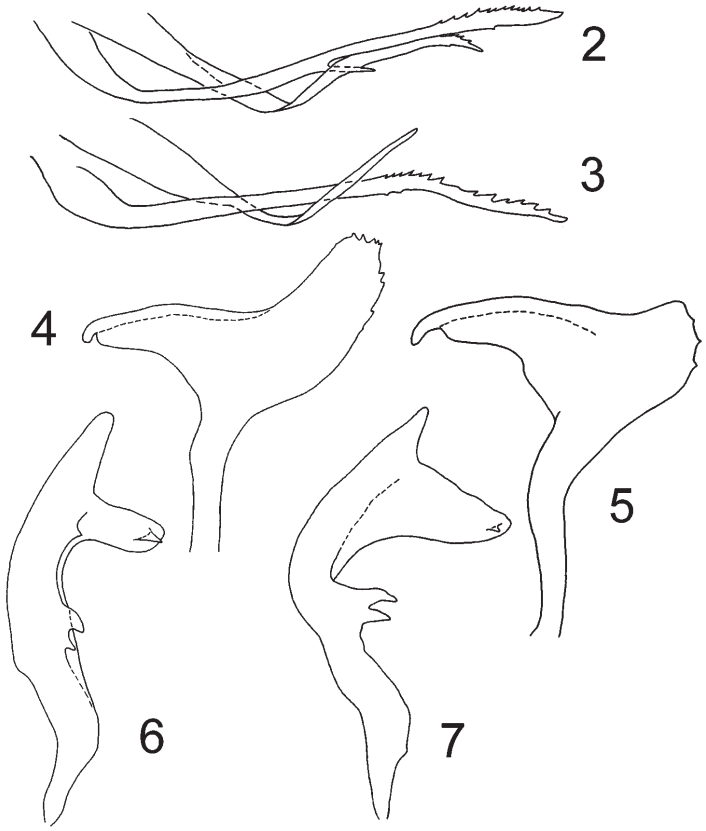
ERRATUM

Kment P. & Bryja J. 2006: Revised occurrence of *Heterotoma* species (Heteroptera: Miridae) in the Czech Republic and Slovakia with remarks on nomenclature, diagnostic characters and ecology. *Acta Musei Moraviae, Scientiae biologicae* (Brno) **91:** 7–52.

In the caption to the figures of male genitalia of the neotypes of *Heterotoma meroioptera* and *H. planicornis* (Figures 2–7, page 12), the names of the species were mistakenly transposed. The figures with correct caption appear here.



Figs 2–7. Male genitalia, neotypes. 2, 4, 6 – *Heterotoma planicornis* (Pallas, 1772): 2 – spicula of the penis; 4 – right paramere; 6 – left paramere. 3, 5, 7. *H. merioptera* (Scopoli, 1763): 3 – spicula of the penis; 5 – right paramere; 7 – left paramere.
